Virtual International Night!!

International Night has always been a phenomenally successful event held every year with great anticipation, However the committee has come up with a way to celebrate different cultures for the holidays!!!

Although the holidays will be different this year, we have come up with creative ways to celebrate with our loved ones.

Please share a picture of your favorite holiday this year. The picture can include a family tradition, you or your family members dressed in ethnic dresses, favorite holiday food or a family recipe, a traditional game or anything that represents a diverse culture. All the submissions will be compiled in a slide show and shared with the BBMS community so we can take a virtual trip around the world with unique traditions and customs.

Please send pictures by no later than Monday December 7th.

Pictures need to be sent to: bbmsinternationalnight@gmail.com
